# Sylva Celebration

STARTS HERE

For wedding weekend gatherings, Sylva Social is the perfect setting for your welcome party, rehearsal dinner, or send-off brunch. Sylva Social was designed to be an elevated, easily customizable space for any celebration, with warm, inviting details that make every event feel special.

Just a quick step through the sliding door brings you to Blue Ridge Bootleg, our moonshine- and music-inspired café and roastery, with rustic wood floors, brick walls, and Appalachian-inspired artwork—perfect for extra space or a grittier vibe that matches your celebration. Guests can enjoy the town's only café and roastery experience, featuring a signature espresso martini or curated coffee station at brunch, making it the perfect send-off.

With in-house catering and customizable bar packages led by Michelin-trained Chef Santiago, and overseen by the same team behind Castle Ladyhawke, every moment of your wedding weekend is thoughtfully connected and beautifully executed.
